MidAmerica '02 Fest takes place every year, late in April in Eureka Springs Arkansas. Our major event each year, MidAmerica '02 Fest is the longest continuous running BMW 2002 event in the USA. Hosted in Eureka Springs Arkansas, deep in the home of the "Pig Trails", where we definitely partake in some of the best roads to drive on in the central USA, according to Car & Driver magazine. The event hotel is at the Best Western Eureka Inn - contact information is below. When calling them to register, mention "BMW GROUP" to get preferred rates and rooms that adjoin other members of our group. Note that breakfast is provided for each night's stay in the price of the lodging.
